

Sharon Bringleston and Tracy Vroom *Present:*

HEALING POWER OF THE HORSE ANCESTOR HERD: Ancient Wisdom and Practical Tools for Thriving in Modern Times

Facilitating contact and connection with the collective field of intelligence referred to as the Horse Ancestor Herd to heal and guide you!

- Travel with the Horse Ancestor herd to reconnect to your inner wisdom.
- Learn about your relationship with horse as a wisdom keeper and teacher.
- Explore the realms of nature and spirit with shamanic tools and techniques.
- Develop awareness as a way to release old ways of being as you deepen your connection to spirit realms and nature.
- Experience the grounded state of Being--in peace and balance.
- Learn how to ground the guidance and healing received and take it into your life for lasting transformation.
